

New York State Department of Health

Bureau of Early Intervention Facebook Group for Families

The Bureau of Early Intervention is pleased to announce the launch of a newly created Facebook group, NYSDOH Early Intervention Community of Families. This group welcomes parents and caregivers of children in the Early Intervention Program from around New York State that want to connect with other parents/caregivers, share ideas, ask questions, and provide support to one another.

Please help us get the word out. Share this resource with the parents and caregivers you know.

They can join the group by clicking [here](#).

If you have questions, would like further information or you are interested in social media posts and tweets to promote on your social media channels, please contact the Bureau of Early Intervention at beipub@health.ny.gov or call 518-473-7016.
